

1. What The Networking Community™ (TNC) offers Leesburg business owners.

A chamber of commerce *like* organization that helps you bring in more customers through relationship, word-of-mouth networking.

2. What TNC-Leesburg can do for you.

All Leesburg business owners can benefit from more awareness.

TNC-Leesburg offers members; 1) three hours of coaching (with the founder of TNC) on how to reduce your advertising budget by networking both in-person and on social media sites 2) a private, member-only, social networking media site (once the first 100 founding members have registered) and 3) reduced fees for networking and educational events.

3. Who is The Networking Community?

Established in 2003, TNC provides small business owners relationship networking resources. TNC is recognized with the highest number of endorsements on the professional social networking site LinkedIn (out of a total of over 35 million professionals in the United States).

TNC founder is nationally recognized in the press and media and is the author of 'Tales From The Networking Community,' which enjoys a five-star rating on Amazon.com.

4. What you need to do next to join?

The TNC-Leesburg launch annual membership fee is \$195.

The first 100 members will be recognized as founding TNC-Leesburg members and spotlighted on the TNC membership site.
